

6th INCF Japan Node International Workshop

Advances in Neuroinformatics

AINI 2018

Neuroinformatics Infrastructure and Technologies for Open Neuroscience

Fee

Free

2018.12.21-22

Okochi Hall, RIKEN (2-1 Hirosawa, Wako, Japan)

Chair

Taishin NOMURA

Osaka University

Co-chair

Yoko YAMAGUCHI

RIKEN

Keynote Speakers

Elissa J. CHESLER

The Jackson Laboratory USA

Kozo KAIBUCHI

Nagoya University

Norio KOBAYASHI

RIKEN

Benigno URIA

Google DeepMind UK

Finding your own way to neuroscience at this workshop

Abstract Submission

September 20th - November 16th

Tutorial Courses

Topics

- Description of EEG Data in a Standard Format
- Creating the Insect Brain
- Introduction of Collaborative Large-Scale Modeling for HPC

- Neuroscience Data and AI
- Standards for Data Sharing
- Managing Database
- Data Analysis methods
- Model Simulation
- Neuroinformatics in General
